**RIMS**  
Fine Crystal Barware

**MULTI-AWARD WINNING COLLECTION**

**DEmark** **GOOD DESIGN** **DESIGN AWARD**

*Thailand - Japan Design Award Partnership*

For good sense, **RIMS** is the blank canvas. Simple at first glance; complex once familiarized. Neutral with a feel of purity through subdued forms of elegance, yet bold as they contrast classic and modern aspirations. Complete only when topped up and ready to be served, this range of fine crystal barware allows for your creativity to shine bright, with no interference, in turn letting your venue and concept reach full bloom.
